

## TRAINING FOR OUR STAFF

With your help we support tired, broken, used and abused souls all day, every day. Our hearts yearn to not only present the Hope of Jesus, but also aid in the root cause of homelessness. For many it's drug addiction, job loss, or generational poverty. And for some, it's being slave to human sex trafficking, along with addiction.

Due to the latter mentioned root cause of homelessness, our staff is partnering with PAVSA (Program for Aid to Victims of Sexual Assault) for training to become knowledgeable advocates equipped to offer resources & support for victims/survivors of human sex trafficking.

Please keep us in prayer as we build this bridge of support in our community which will impact the dark world of human sex trafficking here in Duluth.

## FIRST AID & NALOXONE TRAINING

Along with PAVSA training, our crew will become certified through the American Red Cross, in basic first aid, C.P.R., blood-borne pathogens, opioid overdose, naloxone administration and nasal spray add-on.

Occasionally, our homeless friends have burns, cuts, blisters, etc. and as a former E.M.T., I value the proper training for basic first aid. We are excited to offer this to our volunteers!

## REAL LIFE STORY

John is a homeless man who has been trying to find his place in society and desires deep change. We encouraged him some time ago to keep coming here, and he does.

Recently, our Volunteer with excitement says, "Hey John, watch this video coming up on the T.V."

The video was a theatrical play showing the evil power Satan has over someone's life, then the power GOD has once you surrender to Him.

John was overcome with emotion. Our volunteer then had an open door to pray with John and remind him, "**you are worth it John, Jesus says so!**"

John made a decision to take the necessary, hard, steps to get his life in order. We will continue to support John through his real-life struggles as we are expectant on all that God can do through John and his new desire to live.
